

To access and read my journal, follow this link:

https://kaywa7.github.io/gencg_h2501/

All sketches, experiments and attempts can be found here:

<https://editor.p5js.org/KayWa7/sketches>

For the Project “**Spiro’Clock**”, I used the sources and tools indicated in the journal, which mainly are:

- p5.js Web Editor
- p5.js References
- ChatGPT
- Google Gemini

To see the exact codes used, visit the link to the p5.js editor profile(<https://editor.p5js.org/KayWa7/sketches>). Each sketch is set to public.
